Tuesday works for Roux anytime. We will be onsite.

Wednesday 830 am start is no problem. We may be able to fit the tour in before lunch on Wednesday. I think we'll have time.

Subject: Rough schedule for Next week (April 17-19)

I plan on being on site late Monday afternoon, 3:00 pm +/-.

I will be meeting with Robert Moler around 5:30 pm

City Council Meeting starts at 7:00 pm

I would like to set some time on Tuesday to discuss our comments and next steps. How about an 8:30 am? We could also discuss Nino's comments and our Reply. (Lisa, I'm not sure when you are getting in do we need a later start?)

Wednesday Michael has setup time to discuss risk assessment. Can we change that to an 8:30 am start? I think that goes until noon. I plan on touring Brian and Gunnar after lunch. Anyone else is welcome to join.

CLP meeting starts at 6:00 pm

Please let me know any adjustments we may need to make. I will do my best to accommodate.

Thanks,
Mike
